Read the following:-

1. From the Director Health, A.P., Hyd., Lr.Rc.No. 34703/PLG.A/ 2007, dt. 30.01.2008.
2. H.M.& F.W. Dept., U.O.No. 24289/H2/2007, dt: 25.04.2011.

ORDER:

In the reference first read above, the Director of Public Health, Government of Andhra Pradesh has informed that, as per service rules issued in G.O.Ms.No. 458, Health Medical and Family Welfare (C2) Department, dated 14.10.1998, the first vacancy out of four vacancies available in the category of Administrative Officer post existing under, A.P. Medical and Health Services shall be filled by taking eligible Superintendents from the inter-seniority list of the Superintendent working in the Directorates, MNJ Cancer Hospital, government College of Nursing and Government Dental College. This process was in vogue until the year 2003.

2. The Hon'ble Supreme Court of India in Civil Appeal No. 9643 and 9644 of 1995 held that the employees working in the posts which are not localized cannot be appointed by transfer to the post which are organized in local cadres. Hence the Director of Public Health has stopped promotions for those working in Directorate as Administrative Officers against the posts of local cadres and thus a number of qualified Superintendents have faced stagnation. However, the Supreme Court whole pronouncing judgment on 7.11.2001, inter-alia, observed that it would be in the interest of the administration to have a channel of promotions for every service to avoid stagnation at a particular level subject to the condition that the incumbents of a service area other wise qualified to shoulder the responsibility of the higher promotional post.

3. Government recently vide G.O.Ms.No. 93, Health Medical & Family Welfare Department, dated 23.4.2010 orders were issued for establishment of Commissionerate of Health & Family Welfare with the objective of improving the organizational effectiveness of Health System and to ensure efficient management of the human, material and financial resources of Health, Medical & Family Welfare Department. By this arrangement, Government is establishing a unified command structure for the health delivery system that is empowered to manage the emerging challenges. Apart from this, new Acts such as RTI, No smoking Act etc., and innumerable litigations in the court have increased the work load in the department.

4. All the above, added the work load and responsibilities to the existing staff in the Directorate. To meet the ever increasing work load judicious distribution of work load and responsibilities and for effective monitoring, the Director of Health has requested to increase the posts in the cadre of Administrative Officers/ Superintendents.

(P.T.O.)

5. The H.M. & F.W. Department in the U.O. 2nd read above has proposed for creation of 15 posts of Administrative Officers by suppressing (30) posts of Junior Assistants in the O/o Director of Public Health, A.P., Hyderabad for improving the organizational effectiveness of Health System and to ensure efficient management of the human, material and financial resources of Health, Medical & Family Welfare Department.
